Select

## Maximum Organized Storage

- Removable panel between compartments allows customized storage of long objects
- Divider trays and adjustable flat shelves provide storage-compartment customization
- Clear door openings are best-in-class
- Lift-and-lock tailgate gives quick, one-handed access to cargo items
- Spring doorholders keep doors in position during work and transport

WARNER SPECIALIZES IN BUILDING CUSTOM UNITS TO MEET CUSTOMERS' SPECIFIC REQUIREMENTS.

## Improved **Safety** and **Security**

- Better security with stainless-steel rotary latches
- Punched bumper provides increased safety and grip with superior corrosion resistance

## Added **Weather Protection**

- Clip-on automotive door rubber provides protection from elements for lifetime of unit
- Doors have built-in rain gutter for increased weather defense

## Superior Guaranteed **Durability**

- Durable 18-gauge, double-panel doors are 44% stronger than industry standard
- Seamless wheel panel and single-piece header eliminate rust
- Polished fuel-fill enhances the look and eliminates paint chipping from fuel runoff
- Exclusive 5-year warranty guarantees construction and quality
- A60 galvalume steel with 50% more corrosion resistance than industry standards
- Full-length 5/16" stainless-steel hinge rods and stainless-steel hinge blocks

## **Popular Options**

- Aluminum construction
- Flip-top construction for additional storage
- Recess in rear bumper for trailer hitch
- Sliding roller tops for security of items in load space
- Ladder racks
- Drawer units for customized storage
- Enclosed top construction for additional storage and security
- Compartment lighting for work at night
- Additional shelves and divider trays
- Taillights in rear compartments in lieu of bumper
- Master locking system for added security and ease-of-use
- Slam latch tailgate
- Pipe racks
- Through box between compartments for large article storage
- Grab handles for added safety
- Reinforcement for cranes
- Provision for welders and air compressors
- Hold-downs in floor
- J-style hooks (fixed style, swivel style and three-way locking)
- Rope rail for organization in loadspace

LET US WORK WITH YOU TO  
DESIGN YOUR NEXT WORK TRUCK.
